About Tri-Cities Church

In the fall of 2011, a small group of families started meeting in a home in Hapeville with the vision of starting a new church to participate in God's work of bringing restoration, revitalization and hope to the Tri-Cities area. Tri-Cities Church began having monthly services in May of 2012 and officially launched January 20, 2013 in Hapeville Elementary. Shortly after launching, Tri-Cities Church moved into a 24/7 location in East Point which it later purchased in 2016. In 2022, Tri-Cities Church united with a Spanish-speaking congregation, further creating a church community that reflects the area. Since the beginning, Tri-Cities Church has been committed to being an authentic, generous, intentional, diverse, and grace-filled church family where people can build their faith, belong to family, and be the church to the Tri-Cities community.

The role: The Co-Lead Pastor (Teaching & Outreach) will be a Christ-centered leader who is a skilled preacher, passionate about discipleship, and desires to reach the wider Tri-Cities community. This person will be salaried and fulltime.

This pastor will demonstrate strong leadership skills by collaboratively working with the Co-Lead Pastor (Connections & Community), Elder Board, Church Staff, and Ministry Leaders to align mission, vision, and values.

Tri-Cities Church is a multi-ethnic community of two congregations and the future pastor must have a vision for maintaining and growing a diverse church.

- Ensuring message alignment between the various ministries within Tri-Cities Church including teens, children, and Spanish ministries.
- Providing organization and administration for the church and ministry staff to ensure regular meeting cadence and collaboration on vision and goals
