Responsibilities:

- Lead Sunday morning worship services with excellence and authenticity, creating an atmosphere that draws people into worship.
- Collaborate with the senior pastor and church leadership to plan services that align with the sermon series and overall vision.
- Select, arrange, and lead a blend of contemporary and traditional worship music that resonates with our congregation.

- Provide discipleship, encouragement, and spiritual guidance to worship team members.
- Ensure the stage and tech equipment are properly maintained and set up for each service.
- Incorporate creative elements that enhance the worship experience, including multimedia, special music, or other artistic expressions as appropriate.

- Participate in weekly staff meetings and contribute to the overall vision of the church.

Qualifications:

- A strong, personal relationship with Jesus Christ and a calling to lead others in worship.
- Experience leading worship in a church setting, preferably with both contemporary and traditional styles.
- Skilled vocalist and instrumentalist with the ability to lead worship while playing an instrument (e.g., guitar or keyboard).
- Ability to inspire, mentor, and develop a team of musicians and volunteers.
- Excellent organizational, communication, and interpersonal skills.
- Knowledge of worship-related technology, including sound systems, video projection, and presentation software.
- A team-oriented mindset with a heart for the local church and a commitment to unity in the body of Christ.

Benefits:

- Competitive salary based on experience and qualifications.
- Opportunities for professional growth and development.
- Supportive, loving church family and staff team.
