

Pastor Job Description

We are calling for a Christ centered pastor for our congregation of 75-80 worshipers to guide us to a deeper love of God and a closer walk with Christ. Our pastor has been with us for over 12 years and is planning to retire, so we are searching for our next pastor to lead us into the future.

Milton-Freewater Christian Church is a welcoming and friendly non-denominational church with members from various backgrounds. Our mission is making disciples of Christ through relationships. We believe in the inerrant word of God, where the Bible speaks, we listen. Our vision is connecting people to Christ and His community.

We are led by our pastor and an elected team of elders. Our new pastor needs to help direct us in growing our congregation - especially a younger generation to help usher us into a wonderful future with Christ.

Expectations:

Prepare and preach Bible-based sermons that motivate a closer relationship with the Lord and a heart to share Jesus with others

Teach to spur a growing knowledge of God and how He can impact our lives

Manage paid staff

Attend ministerial meetings regarding the operation and spiritual growth of the church

Involvement in the Milton-Freewater Ministerial Association

Hospital and home visitations

Perform baptisms, weddings and funerals as needed

Qualifications:

Called by God to preach the biblical truths

Meet the biblical qualifications in 1 Timothy 3:1-7

Bachelor's degree with biblical studies/Seminary

5 years' experience as lead or associate pastor – negotiable

Be able to work with the elder team to develop a vision and plans that will encourage a stronger relationship with Christ and a robust heart for evangelism for our congregation

Good organization skills to oversee a small staff and various ministries in the church

A heart for the sick, hurt and aging

Milton-Freewater, Oregon is located in the northeast portion of the state in a largely agricultural community of around 7,100 citizens on the southern edge of the Walla Walla Valley. Walla Walla, Washington which is 10 miles to the north has a population of around 34,000 and a number of our members hail from there.

Salary and Benefits:

\$ - \$ Health insurance - Housing compensation –
Retirement -
